# KISHORE S V

## Aspiring Software Engineer Intern

kishoresathyagala@gmail.com +91 8971301934 SVP NAGAR, MYSURU

linkedin.com/in/kishore-s-v-948b92290 github.com/Mr-K-17

## Professional Summary:

Motivated Computer Science student skilled in full-stack development, Java, React, Spring Boot, and databases, with experience building end-to-end applications, exploring DevOps, automation, and deployment, and strong problem-solving, communication, adaptability, teamwork, and continuous-learning abilities.

## Education Details:

- B.E. in Computer Science and Engineering [2023-27] | ATME College of Engineering, Mysuru | GPA: 9
- Pre-University | Sadvidya Composite PU College | 85.83%
- Secondary Education | GSSS Bantwal Madhava Shenoy High School | 93.44%

## Projects

**Line Follower Obstacle Avoiding Robot**
- Arduino C/C++, Sensors, Arduino UNO
- Developed an Arduino-based autonomous robot in C/C++ with line-following and obstacle-avoidance using IR and ultrasonic sensors, servo motor, and L298 motor driver.

**Stock Management System**
- PHP, HTML, CSS, JavaScript, MySQL
- Built a stock management system for inventory tracking, order and supplier management, and reporting to support efficient stock control.

**AI Search Bot**
- Python, Gemini model (2.5 flash)
- Built a bot which provides all the information related to text in a search box, using Gemini model.

**Lawpoint- AI-Powered Platform to Connect Lawyers and Clients**
- React.js, Node.js, Express.js, MongoDB, Sockets.io , Gemini model (2.5 flash)
- Designed an AI-based lawyer–client matching platform to improve access to legal services through intelligent recommendations, and also provided chat interfaces and social features.

**Habit Tracker (Coding activities)**
- Java: Collection, Swing, JDBC
- Built a Java Swing desktop application with JDBC to track daily habits and automatically log VS Code coding time, storing progress in MySQL.

## Skills:

**Technical Skills:**
- Frontend: HTML5, CSS3
- Backend: Java, Spring Boot
- Database: MySQL, MongoDB
- Tools: VS Code, NetBeans, Arduino IDE, Cursor, Intellij IDEA, Git, GitHub, Gitlab, Docker
- Languages: Java, C, SQL

**Soft Skills:**
- Teamwork and collaboration
- Critical thinking and Problem-solving
- Adaptability
- Time management
- Communication and Active listening

## Certificates

- The Joy of Computing Using Python (NPTEL) | Jul-Oct 2024
- Fundamentals of Data Networking (Infosys Springboard) | May 2025
- Azure Devops (Infosys Springboard) | May 2025
- Introduction of Large Language Models (LLMs) (NPTEL) | Jul-Oct 2025
- Introduction to NoSQL databases (Infosys Springboard) | April 2026
- Agile Scrum in Practice (Infosys Springboard) | April 2026
- Agile Scrum Certification (Infosys Springboard) | May 2026
- Software Engineering and Agile software development (Infosys Springboard) | May 2026
- Natural Language Processing (VTU Honors) | Aug 08, 2026
- Block Chain and its Applications (VTU Honors) | Aug 08, 2026
- Affective Computing (VTU Honors) | Aug 14, 2026

## Hackthons & events

**Details:**

**Hackathons & Technical Events**
- Participated in 24-hour Hackathons at JSS and Devnote Bengaluru.
- Participated in TCS TechBytes, CodeHunt, and Technical Treasure Hunt competitions.

**Workshops & Conferences**
- Attended Google DevFest, Bengaluru Tech Summit 2025, and an IET Technical Seminar.
